TORIT POWERCORE COLLECTORS

Torit Power Core dust collection technology from Donaldson Torit outperforms traditional baghouse collectors and does so in less space. In one extremely small and powerful package, the Torit Power Core dust collector handles high airflow, high grain loading, challenging particulate and fits into the smallest places. The filter changeout is remarkably quick, easy and clean compared to the process for traditional bag filters.

Innovative Torit Power Core dust collectors combine award-winning Power Core filter packs with a new proprietary compact pulse cleaning system. This proprietary
